### ABOUT

Innovative and detail-oriented UI Developer with **4.8 years** of expertise in crafting responsive, and user-centric web applications and **1 year** of angular experience. Proficient in leveraging modern web technologies such as HTML5, CSS3, JavaScript, jQuery, Bootstrap, and Angular to deliver seamless experiences. Adept at ensuring cross-browser compatibility, optimizing front-end performance, and implementing responsive design principles. Proven ability to collaborate effectively with cross-functional teams, translate client requirements into functional designs, and deliver high-quality solutions within deadlines. And I am passionate about learning new technologies.

---
